Genl. D. 84-1

Sir,

With reference to the Dewan's Notifi-
-cation No. 1224-7/18 of 14th May 1885 appoint-
-ing Surgeon-Major J. J. McGann M.B.
Senior Surgeon to the Mysore Govern-
-ment and Surgeon P. H. Benson M. B.
to be Civil Surgeon, Chemical Examiner
and Superintend of Jail at Mysore, I
have to request orders as to their pay
and allowances.

By proceedings of the Dewan dated
(1st August 1883 the salary of Brigade Sur-
-geon J. Houston M. D was fixed at Rs
1050/ with a monthly allowance of
Rs: 450/ for all medical charges; and
when Brigade Surgeon Henderson was
appointed Senior Surgeon to the Mysore
Government in succession to Dr. Houston
it was specially ordered in proceedings
of the Dewan No. 650-1/10 dated 27 April/83
that he should get in addition to his
Military pay of Rs 1093-2-0 a monthly
allowance

allowance of Rs. 406-14-0 for all medical charges. In both cases the total was Rs 1500/ with a free house.

Dr. M'Gann whose unemployed pay of rank is a Surgeon-Major of 18 years would be Rs 677-6-11 has claimed as Senior Surgeon a consolidated salary of Rs. 1500/ (his personal allowance being absorbed in the amount) and I have passed his bill tentatively with house rent at Rs. 110/. I beg to be informed whether I have rightly interpreted the orders above quoted, as applying to Dr. M'Gann.

Under the Dewan's Notification above quoted Dr. Benson would be entitled to Rs. 850/ per mensem for the charges as noted in the margin. He has however claimed a consolidated salary of Rupees 950 per mensem from the date of taking charge, including I presume Rs 100/ for the charge of the Female Hospital at Mysore, which is not however mentioned in the above notification. This allowance is chargeable in the accounts in the proportion of

Civil Surgeon	Rs 650
Chemical Exr.	" 100.
Supdt of Jail	" 100

of 2/3 ?. to Municipal and 1/3 ?. to District Funds.

Sir,

I have the honor to acknowledge the receipt of your No 79 dated Camp. Ootacamund May 14th 1895, forwarding for my information a copy of a letter, No. 1165 / 270.84, from the First Assistant to the Resident to the Govt of Mysore.

In replying thereto I have the honor to request

1st That my allowances for leave may be calculated on my present pay viz. 1350/- that the contribution to be raised by the British Government ~~be raised~~ accordingly.

(2) Should any doubt exist as to whether my full pension is being earned under the present Contribution, that that doubt may be set at rest.

In conclusion

(63)

I would beg to observe, that if according to C.S Reg. 870. la, Sub Clause 2. Matrimonial Allowances are made applicable to me, it is very clear that I must suffer considerably whilst absent on Leave, as that is by far more important that my finances will be affected, under these Circumstances I trust the Dewan will be pleased to accord his Sanction to my request.

Medl: B-84-42.

Dated Bangalore, 17th September 1895.

SIR,

I am directed to inform you that Mr: Le Warner has only now for the first time seen your letter No. 195-G.F.345-92 dated the 4th October 1894, regarding acting allowance to Surgeon Lieut: Colonel. P.H. Benson and he does not find any reply to Major Ravenshaw's D.O. of the 4th January 1895.

Demi official.

2. I am to observe that it appears to Mr: Le Warner that when a Govt officer officiates in ordinary course for another officer, the state employing him only to apply the ordinary rules, and let the officer, who gets the acting allowance, make his own arrangement if any are required by rule 826 or any other section of the Civil Service Regulations for contribution to pension and leave. In Dr: Benson's case his contribution seems to be fixed as shown in your letter No: 18300/G.F.345-92 dated 3rd May

nd therefore the question of increasing it apparently does
ot arise, and it seems to the Resident, looking at Article
06 ii, that the Darbar can simply apply the regular rules of
cting allowance, Part II, without seeking the sanction of
Government of India to its act, unless there are some
cial circumstances of which Mr. Lee-Warner is not aware.
fact my predecessor's letters Nos. 305-244-91 dated 2nd
ruary 1892 and 774-244-91 dated the 6th march 1893 would
ear to suggest an easy solution of the matter.
